We're Here For You!

October 2015

DIRECTOR'S REPORT:

The Council on Aging has planned many programs this month and we hope you find a few that interest you. Let us know if there is a program or activity you would like your COA to offer. We will certainly make every effort to provide it. The Friends of Sandwich COA will be holding their annual meeting so please see page 4 in this newsletter! Also – please see Page six – we are offering Windows 10 classes!

A Possible Community Thanksgiving Meal

First Church is thinking of hosting a festive luncheon at noon on Thanksgiving Day, co-sponsored with the Council on Aging but for all ages. If you would like to attend – or can volunteer to help – please contact Cathy Ode at First Church of Christ – 508-888-0434 ext. 17 or c.ode@firstchurchsandwich.org. Many of us can't travel to be with family, nor can our families come to us. Often, people feel that cooking a Thanksgiving meal for a few is not enjoyable; eating out at restaurants can be expensive and impersonal. Let's bring back an old Sandwich tradition: A Community Thanksgiving Meal!

Trip Planned! Sandwich Council on Aging is sponsoring a pre-holiday trip with Yankee Line on Monday, Nov. 16. "2015 Christmas Memories" with the Latshaw Pop Orchestra at Lantana's. See entire flyer included in this newsletter. Call the COA office at 508-888-4737 and sign up as soon as possible since we will need 35 people to make this trip happen. If you need further information, please call Barbara Buchenan at 508-888-7052.

Outreach Corner: Rita Wahlstedt

When is someone an Unsafe Driver? Are you or someone you know a dangerous driver, refusing to give up the keys? Consider the fact that you could be reported to the DMV. The [Department of Motor Vehicles](#) may request in-office testing if it receives complaints. You can make this complaint yourself, if you think some one's driving skills are deteriorating; many states allow individuals to remain anonymous. The person is then called in for an on-road evaluation.

If you question your *own* driving abilities:

Ask your doctor to recommend a referral to the DMV or an occupational therapist who does driving evaluations. Spaulding Rehabilitation in East Sandwich offers this service, clinically assessing your driving abilities completely. For more information, call 1.888.776.4330.

One thing you can be sure of is that driving *will* continue to worsen. As we age, our perception and vision are not as sharp. Driving is a complicated skill involving memory and many different kinds of higher-order thinking and physical responsiveness. Winter weather is another factor to consider, as streets covered with ice, snow and heavily weighted trees are an added obstacle.

Do your part to help get unsafe drivers off the road, even if it means giving up your own car keys. There are many forms of transportation out there, including "Seniors On The Go" through your town of Sandwich Council on Aging. Give us a call if you need a ride. Be smart and safe!
