Business

- A) ASL Training for Public Safety Officials: It is happening!! May 9th at the Sandwich Police station. There has been an amazing amount of interest. There are four spots saved for commission people, but the commission would rather give the those to more town people. I.e. librarians, recreation, ppl at town hall. In order to gauge how it went we, the commission would like to do a survey at the end for feed back.
- B) Town Website accessibility: Josh Pierson of the Pola Center daily living tool box. Is going to go over our towns website and then come present to us in May on how we can increase its ease of use for those with disabilities.
- C) Accessible Parking Plan: Candy has generously given her time and os now trying to put it all into a Google spreadsheet. More updates to follow.
- D) Disability/Accessibility education/awareness. Julie hasn't been feeling well and has asked for some assistance in working on this contained segment with the elementary schools. Chanda volunteered to help and Kerri offered insight as to proper channels to use.
- E) SCTV Audio tour update: They hav not been uploaded, the tours were being sent for voice over. They will let us know when they have been uploaded
- F) Boardwalk update: Please refer to Liaison updates.
- G) Sandwich Accessibility Day ideas: Awhile off, but always good to be thinking. Kerri suggested asking Spaulding to bring adaptive sports equipment for people to try.

H) Committee Elections in July: Last year we did not convene for a meeting in July. Typically the commissions elections follow the towns. This will be continued in the next meeting.

7) Other matters not reasonably anticipated by chair: None
