

Sandwich Cultural Council Minutes

May 11, 2020

Virtual Meeting

Attendees: Peter Fondulas, Amy Neill, Anne Sayer, and Christa Danilowicz

Meeting called to order 6:05 PM

The Council received additional funding extension requests from grantees, as a result of COVID restrictions on public gatherings.

1. Sandwich Arts Alliance will be rescheduling its two events (Woods Hole/Sandwich film event and Sandwich Fest) to sometime in 2021. We approved their funding extension.
2. Roger Tincknell will reschedule his event (Ireland to America) once gatherings are permitted. We approved his funding extension.
3. Peter Cormier will reschedule his event (The Awareness Project) to sometime in 2021. We approved his funding extension.

We also discussed the status of Greg Maichack's request for a progress payment, which Anne submitted to the town but was initially rejected. Peter was going to talk to our Mass Cultural Council contact to try and resolve the issue. (Update: the MCC sent a letter to Kim Crocker from the town's accounting office, explaining that MCC funds are considered state funds, not municipal funds, and can be released for progress payments.)
