1969	\$ 10.50	\$ 1.50	N/A	N/A	

A tax rate is derived by dividing the **TAX LEVY** (as set by Town Meeting Budgetary votes), by the **TOTAL TAXABLE VALUE** of the TOWN

Under **Proposition 2.5**, the **TAX LEVY** may be increased **2.5%, plus new growth**, and then may be further increased by any voted **Overrides** and/or **Debt Exclusions**
